# Overall Reimbursement Guide Basic Insurances Menzis Basis and Menzis Basis Vrij, Additional Insurances 2022 - Menzis Collectief

## Introduction

In this Overall Reimbursement Guide you can find an overview of the Menzis Basic Insurance Menzis Basis Menzis Basis Vrij, additional and dental insurances of Menzis Collectief. The services and reimbursements you are entitled to are listed for each type of care. The services and reimbursements specified below are per insured person per calendar year unless otherwise stated. Conditions and restrictions may apply that are not specified below. For more information on these conditions and restrictions check the insurance terms and conditions. These can be found on [menzis.nl](https://www.menzis.nl) or can be requested from Menzis Customer Service on 088 222 40 40.

**Note:** The overview provides an overall description of the services and reimbursements you are entitled to. Conditions may apply to the different care forms. Only if you meet these conditions will you be entitled to reimbursement

of the relevant care. Examples of these conditions are a referral from your general practitioner but also the condition that your care provider is a member of a specific professional association or that you must obtain permission from Menzis beforehand. These conditions have not been included in this overview but you can find them in the insurance terms and conditions. Restrictions may also apply such as a maximum number of treatment sessions. For full information on the restrictions, consult the insurance terms and conditions.

**This Reimbursement Guide is only meant to make it easy to compare the different insurances. No rights can be derived from the Reimbursement Guide.**
