The benefits of group health insurance via your workplace. For you and your family.

Through your employer, you receive a discount on Menzis additional (dental) health insurance*. Your co-insured family members also receive discounts and additional benefits.

- Free online health check Healthy Selfie, worth around €60.
- A discount on glasses (up to €75).
- A consultation with a dietician, mental coach and budget coach worth around €100.
- A sleep check worth around €150 and more besides!

Good health and good health insurance are important for everyone.

That's why Menzis is here to support you. For example, with waiting list mediation if you have to wait a long time for care. Or help with finding a general practitioner (GP).
